Wrestling suit order form

Name: _____

1	Chest	
2	Waist	
3	Hips	
4	Thigh	
5	Upper body	
6	Length of torso	
7	Your height	

Important:

- *Measurements must be taken without any clothes on.
- *The waist is usually 4 to 5 inches below the belly button, usually where you wear your pants.
- *To measure the upper body, start measuring from the highest point of your shoulder (close to the neck) going down to the front of the body, under the crotch (keep testicles on the side) up the back of your body until you meet the starting point of the measuring tape. Keep the tape tight.
- *To measure the length of the torso, put a belt on around your waist. Then measure from the highest point of your shoulder (close to the neck) down the front of the body until you meet the tip of the belt.
